

Yealmpton Show Ltd 2010

Conditions of entry for Traders and Exhibitors

Traders are required to be ready to start trading by 9am and to continue until 5pm

Food & Drink - Catering rights for general catering, bar, ice cream, confectionary etc are subject to separate tenders each January with main caterers. The sale of foodstuffs infringing these rights will not be permitted. Any exhibitor who would like to sell any other foodstuffs etc must seek prior approval, submitting full details with their application.

Prohibitions - The sale of lottery, scratch cards, or raffle tickets; games of chance or auctions are not permitted neither is use of microphones permitted. "B.B." or similar guns were sold and used, inflicting some injury, at our show in both 2006/7. The sale of this type of weapon or similar will not be permitted.

Health and Safety -

- A risk assessment is required with each application. Traders and Exhibitors must adopt safe working practices, comply with the safety guidelines of the show and co-operate with the Safety Officer and Stewards.
- Generators - Exhibitors who wish to use a generator must seek prior authority and be risk assessed. Details of size, means of noise suppression and details of certification must be available for inspection.
- The speed limit throughout the show ground is 5 M.P.H. Keep to the designated traffic lanes as there may be obstacles off the designated lanes.
- **Do not park at the rear of the trade/craft marquees** (this is essential to allow for emergency access) You may stop outside the marquees to off load, please then remove vehicle as soon as possible and park as directed by the stewards
- Vehicles must display vehicle passes in their windscreen whilst on the show field.
- In cases of emergency comply with direction of the stewards
- Smoking. No smoking in any marquee large or small or enclosed area.

Insurance – Traders and exhibitors must have adequate insurance to cover themselves and the public. (Must be available for inspection on the show field.)

The Company reserves the right to refuse entry to any person whose aims may be incompatible with those of the Company, or whose activity may infringe the conditions of entry and may cause any person who infringes the conditions to cease trading. Sites will be allocated on the basis of first come first served, by the trade stand chief steward and will as far as possible take into account the reasonable requests of traders. The Trade Stand Chief Steward's decision is final on all matters concerning the Trade Stands

In adverse weather conditions the state of the ground may be less than acceptable for the good running of the show or safety; in any event if the need to cancel the show arises the Directors reserve the right to do so and to withhold 50% of the entry fees if cancelled before show day.

Payment - Cheques to be Payable to "Yealmpton Show Ltd" and forwarded to Trade Stand Chief Steward together with application form.
